Subject: Anguvigaq Final Submission for the Public Hearing on Bowhead Whale NQLs

To the Nunavik Marine Region Wildlife Board,

This letter is the final submission from the Anguvigaq for the hearing on the amendments to the NQLs for Bowhead Whales.

The amendments proposed by the Department of Fisheries and Oceans were discussed in depth with our team prior to this hearing. The revisions were completed in collaboration, and we adjusted phrasing that we felt were no longer needed for our Bowhead hunts. We also adjusted the names to reflect our Board's decision to be called "Anguvigaq" and "Anguvigait".

We recommend that you accept the proposed amendments.

Thank you for your consideration.

Sincerely,

Billy Palliser
Vice President, Anguvigaq
